

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary two weeks before the election is a clear example of partisan propaganda by a corporate media giant and it is against federal election law.

Sinclair's decision undermines our democratic process and Sinclair needs to be held accountable to the responsibility it has to broadcasting, democracy and the people of the United States.

I urge the FCC to take action in this matter as quickly as possible.

Thank you,
Sincerely,
Gina Volpe
